I've BEEN ready, mom!!!!

ARC 2:

beclight asked:

REAVIS ROLL
Adolescent - he/him
Adolescent training year 4
Local Dog
Hiya!! My name is Reavis Roll!!

plushipaws asked:

What are you watching?

Oh, it's my favorite movie! It's called Planet of the Dogs!
It's about a world where OCs and dogs switch places, and now dogs are the ones who are civilized, and OCs are in the place of animals.

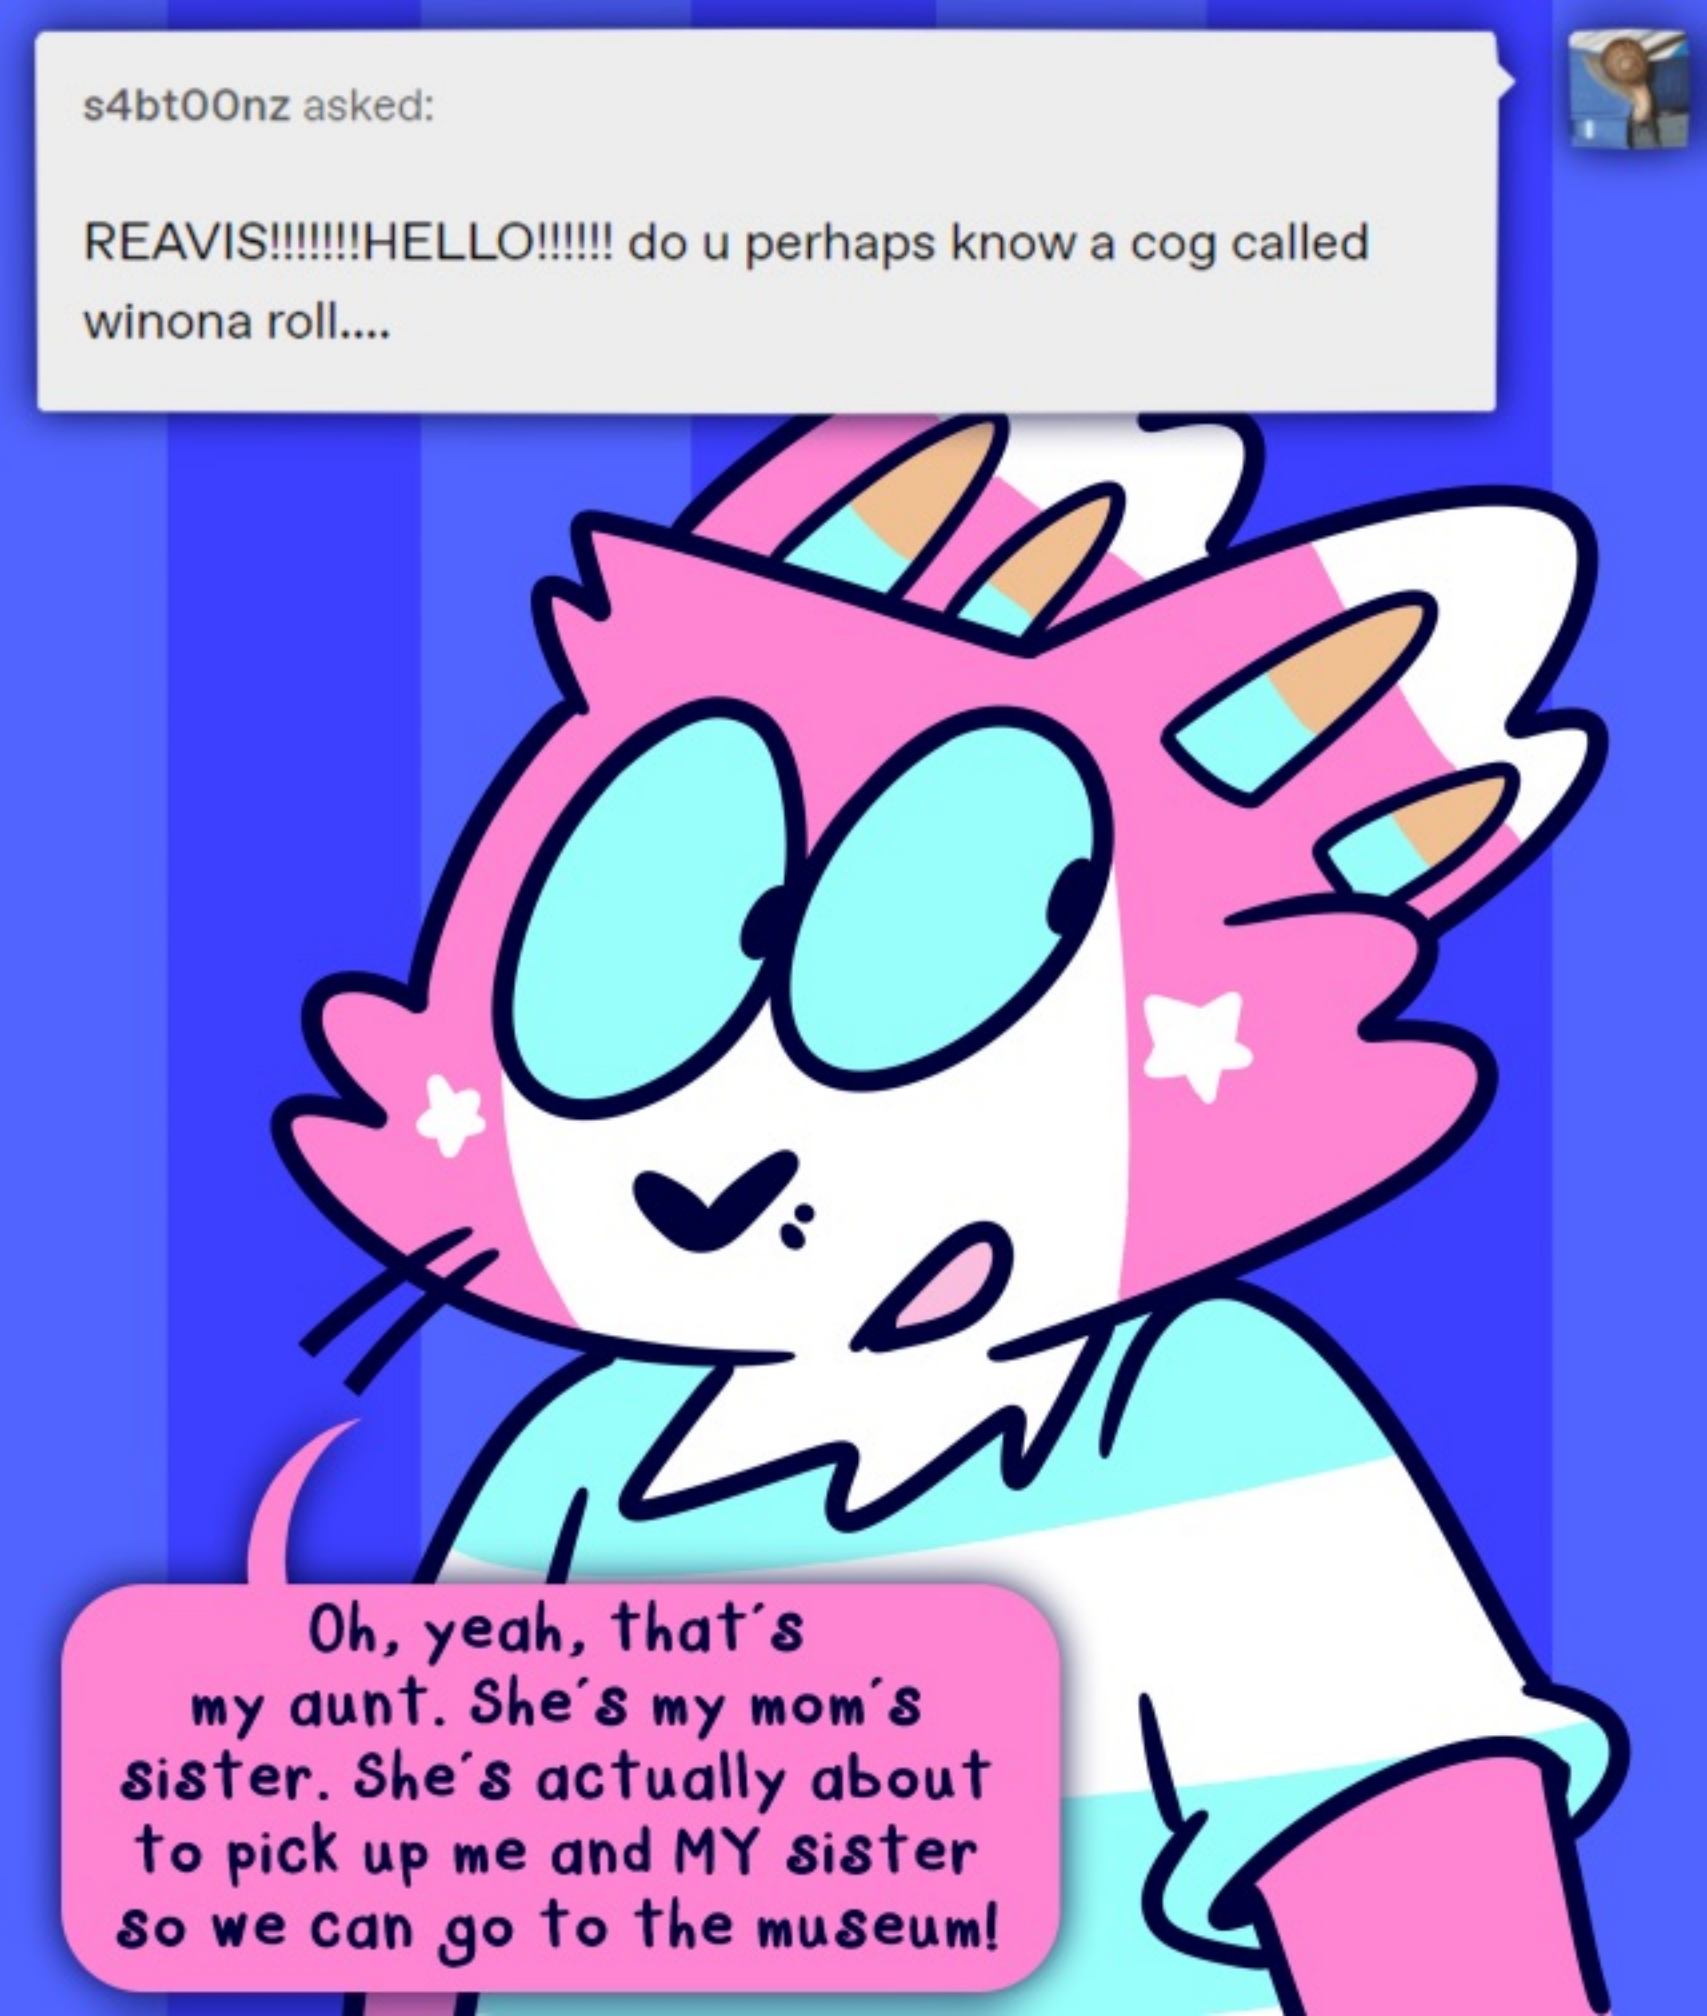
thatawkwardbryce asked:

Hey Reavis! What are your hobbies?

I'm also dog otherkin! I was a dog in my past life and I still consider myself one!!! That's why I connect with them so much!!!

ramthesillyram asked:

Who's your mom?



s4bt00nz asked:
REAVIS!!!!!!!HELLO!!!!!! do u perhaps know a cog called winona roll....
Oh, yeah, that's my aunt. She's my mom's sister. She's actually about to pick up me and MY sister so we can go to the museum!

spacebot asked:

oh hey. your sister? who is she? what's she like :3

...my sister Mina is... well. We don't get along.
She's always arguing with me. Not to mention, she's cat otherkin, so we're basically destined to be mortal enemies.

She's always scratching and biting me like a young! It's so irritating!
I mean, I know that's just how cats are, but come ON!!!

aprilmarie asked:

omg hi little fella!! you are very silly seeming /vpos

do you wanna tell us anything about darlene? i'm very interested in learning more about her, personally! ^^

(also you're pubby. do not tell anyone tell you otherwise you are PUBBY and you are PRECIOUS.)

She doesn't talk about it much, but she's had kind of a hard life.

When she was younger she had really bad depression and got hospitalized for several years in a psych ward to help it, but... it wasn't a very good place.

She's put it all behind her though, and tries her best to look forward instead of dwelling on her past hurt.

sundewdream asked:
I'm kind of curious- what kind of dog and cat are you and your sister :o?? If that's okay to ask!
I'm a Golden retriever and she's a Bombay cat!!
Or at least, we look like them... I know a lot of cat and dog breeds are mixed.

knowyouronion asked:

does anyone ever call you a good boy

foolishly-snowy asked:
have you tried barking at ur sister when she scratches you? its just what dogs do!
I DO bark at her! I bark at things in general!
I bark at my mom too, when she tells me to do things!
It's in my nature!!!

ladyinsertnamehere asked:
Any tips on being more doggy in everyday life, Rea?
Just bark at people. Bark when they make you mad. I mean, what are they gonna do?
They're just gonna stand there confused, so you win by default.

ramthesillyram asked:
Reavis do you have a partner?
...y-yeah, um... sorta? Her name is Kat. I... don't really know what to call my relationship with him.
They're just... a rather... INTERESTING person, I guess...

...I-I guess that's to be expected when he's like, an... alien... or... something...

smilingroadkill asked:

Does your partner just so happen to also be an otherkin of an alien?

No, no, you don't understand. They are a literal alien. Like. An extraterrestrial.
Not from Spinch.
It's not an identity, it's his physical body.

She's a planthry. They're like... plant OCs? From the planet "Birth". He looks like an OC, but he's made of... plant... skin? And she doesn't have bones. Or organs.
Or blood. Or teeth. It's... um... interesting.

REAVIS!!! GET OUT HERE!!!

Local Cat
You don't have to attack me every time you see me!!!

iamstupid9821 asked:
Tell us about yourself Mina!
...my name is Mina. I'm goth and a cat. Which is fitting for a cat, in my opinion.
Cats ARE the coolest animal, anyways.

velociswagtor asked:

mina what are your hobbies? do you like sleep alot be-
cause of being a kitty? :-3

I like drawing... and listening to music. I also like making characters and worldbuilding.
I wanna make a comic or a TV show or something with my characters... but I'm not ready yet.

All my characters are cats. And NO I'm NOT a freak for never drawing anything but cats!
They're easy and fun to draw! I don't wanna draw anything else!
I'm not gonna draw landscapes or paint so DON'T try to make me!

loneowll asked:
Mina what's it like being a cat living with a dog brother?
.O.
He has all the typical annoying traits of a dog, so you can imagine how it feels.

W-well at least I don't scratch and bite people!!!
It's what cats do when you annoy them, and you are a champion at annoying me!!!

noelle-tea asked:

can we see some of your characters mina? i really like cats too!

knowyouronion asked:

why are you so violent and evil, Mina?

s4bt00nz asked:

mina. opinions on my chemical romance.

Well-- just come on, Auntie is gonna be here soon.

I don't even wanna go to this stupid place... I just wanna get it over with.

You should appreciate history more. Learning about the past gives you a chance to learn about the present.

hey, you two!!!

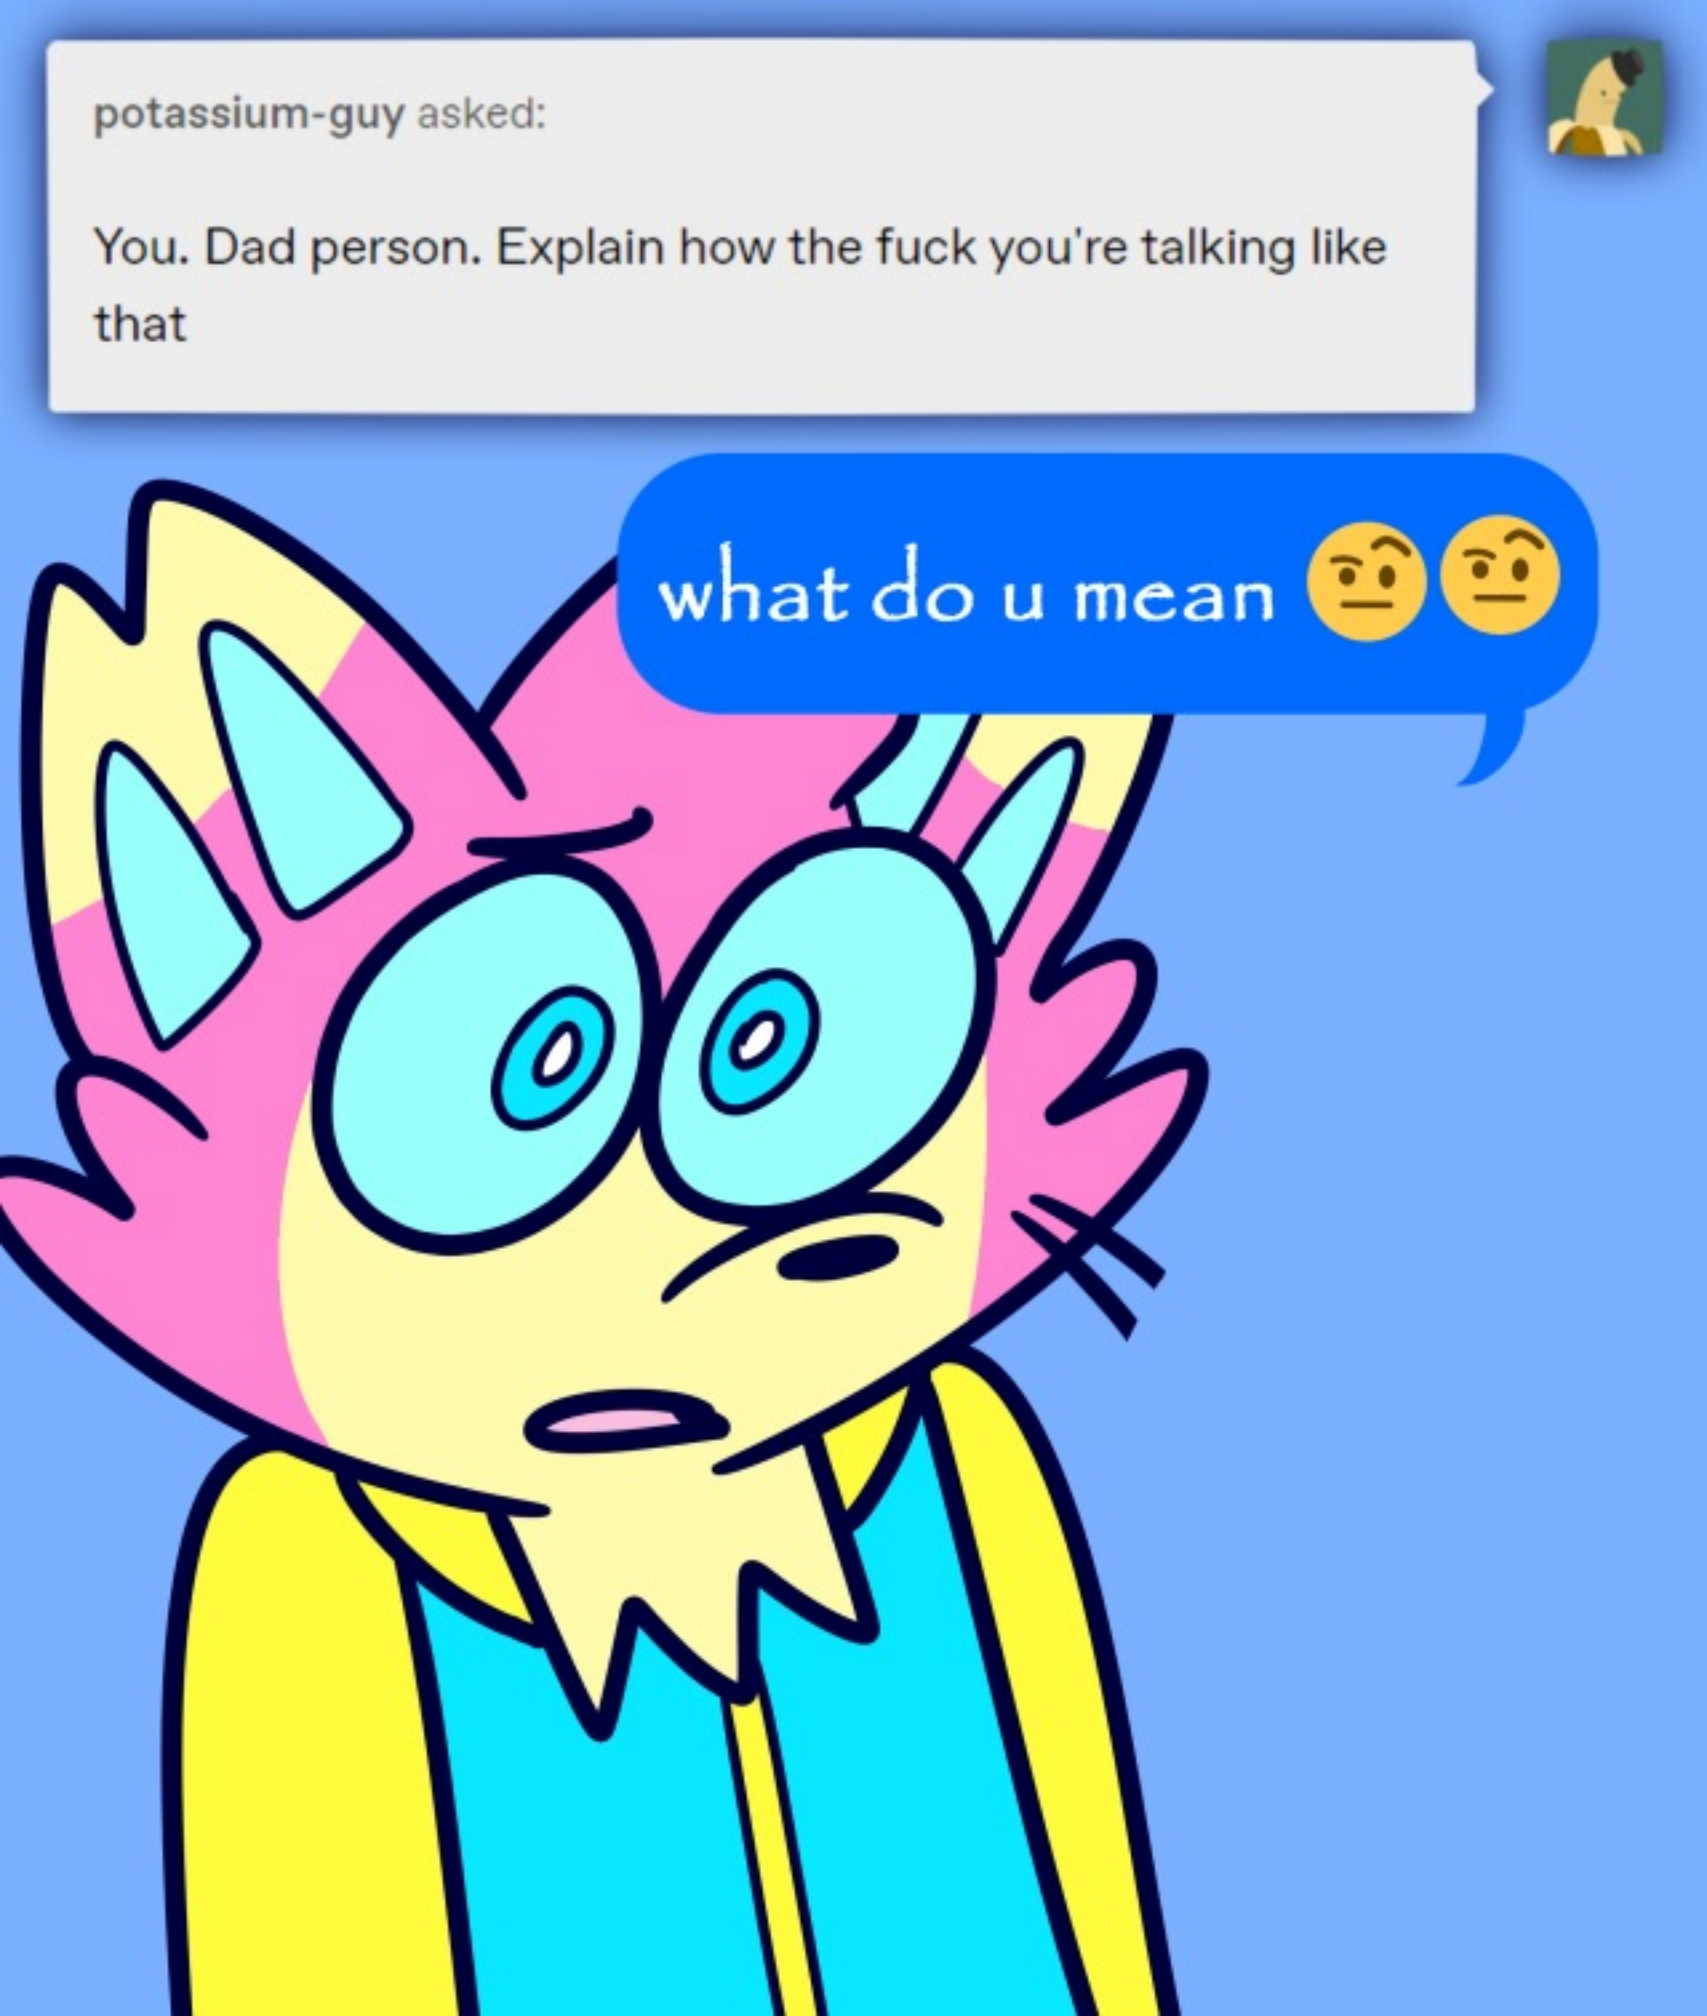
You. Dad person. Explain how the fuck you're talking like that



knowyouronion asked:

thoughts abt your wife, Rockie?

theautismwizard asked:
Hi rockie !! What do you think of your kids being otherkin?
everyone calls their animals their children, so when your children are animals...
it brings simplicity. way too many organics around here lmao

nemphyss asked:
rockie! is winnie your sister or is she darlenes sister? :3
oh lol, she's darlene's sister, not mine haha
we look nothing alike, how'd you get that idea?

foolishly-snowy asked:

How did you meet your wife, Rockie?

ladyinsertnamehere asked:

A hospital? Spill the details, I'm all ea- uh...

well... when i was younger, i used to have a really poor immune system. i would get sick a lot, and it had a bad effect on my mental health.
i spiraled into a depressive episode over my illnesses and i had to be admitted to a psych ward. which is where i met darlene...

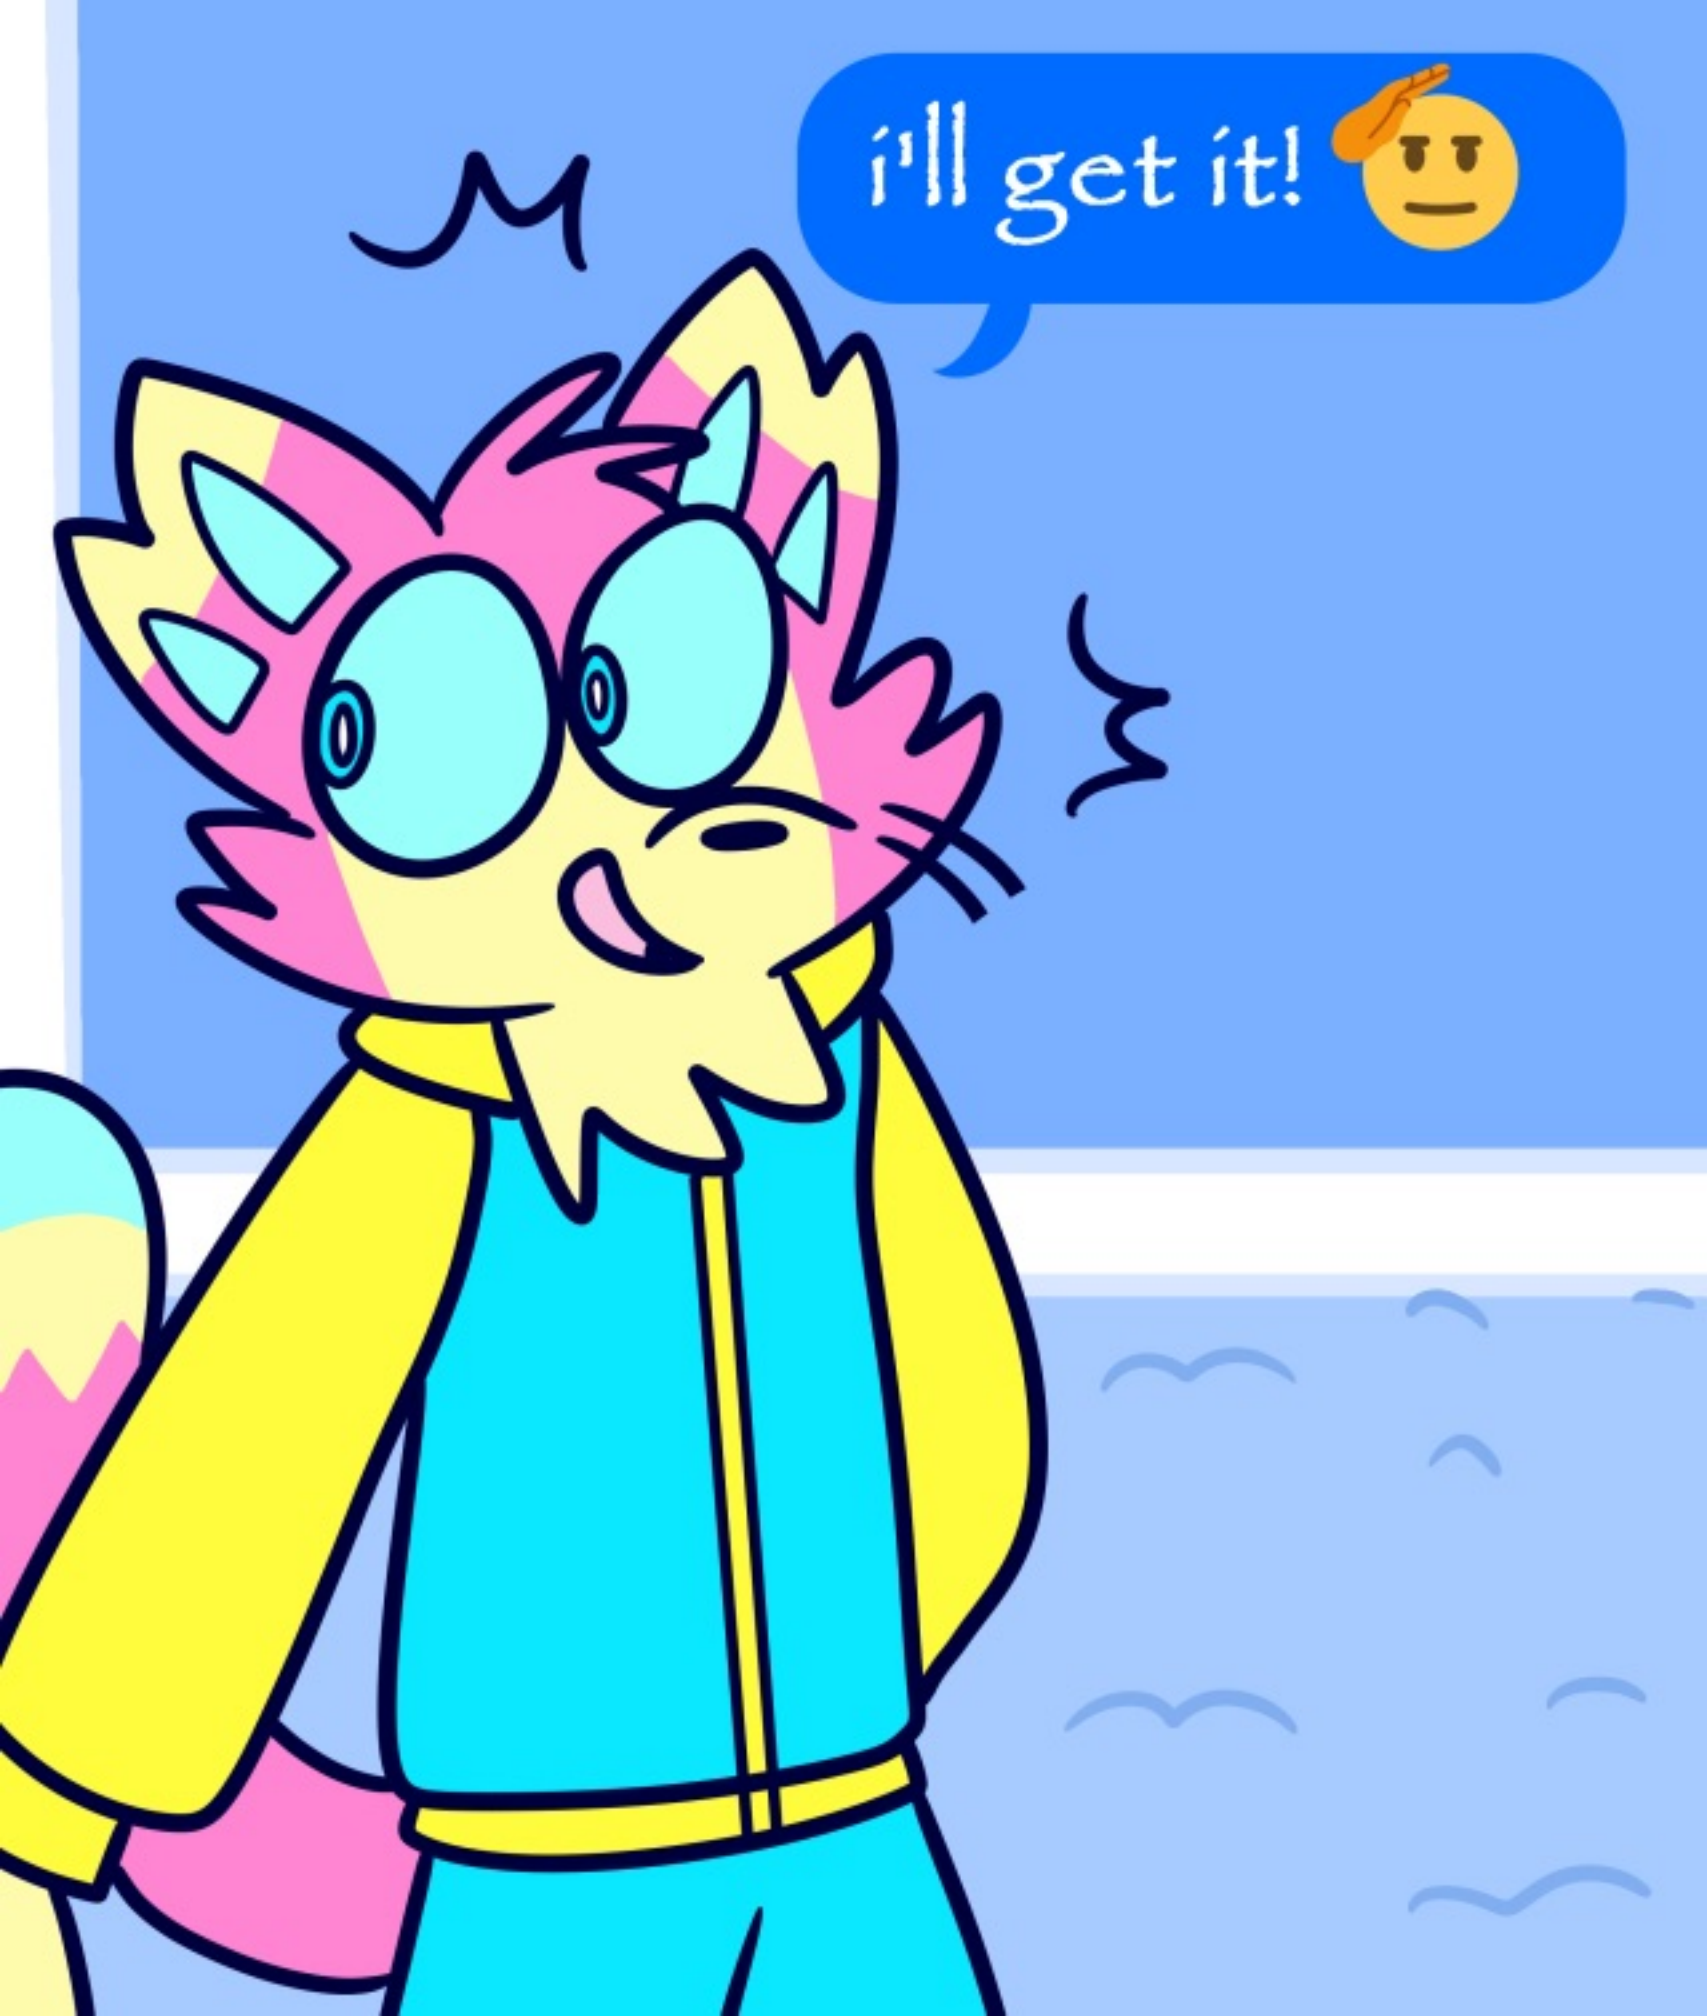
she didn't understand why i wanted to talk to her, bc nobody really did before,,, it made me rlly sad to hear.

we ended up bonding both over our differences and our similarities... and i guess...
things just worked out in a funny way.

When is she getting here? I feel like if I sit on this couch too much longer next to you I'll catch fleas.

BZZZZT

Aghh... I feel so sick...
Mory, are you sure you don't want me to take you home?
Y-yea, I'm fine... I'll probably feel better soon.



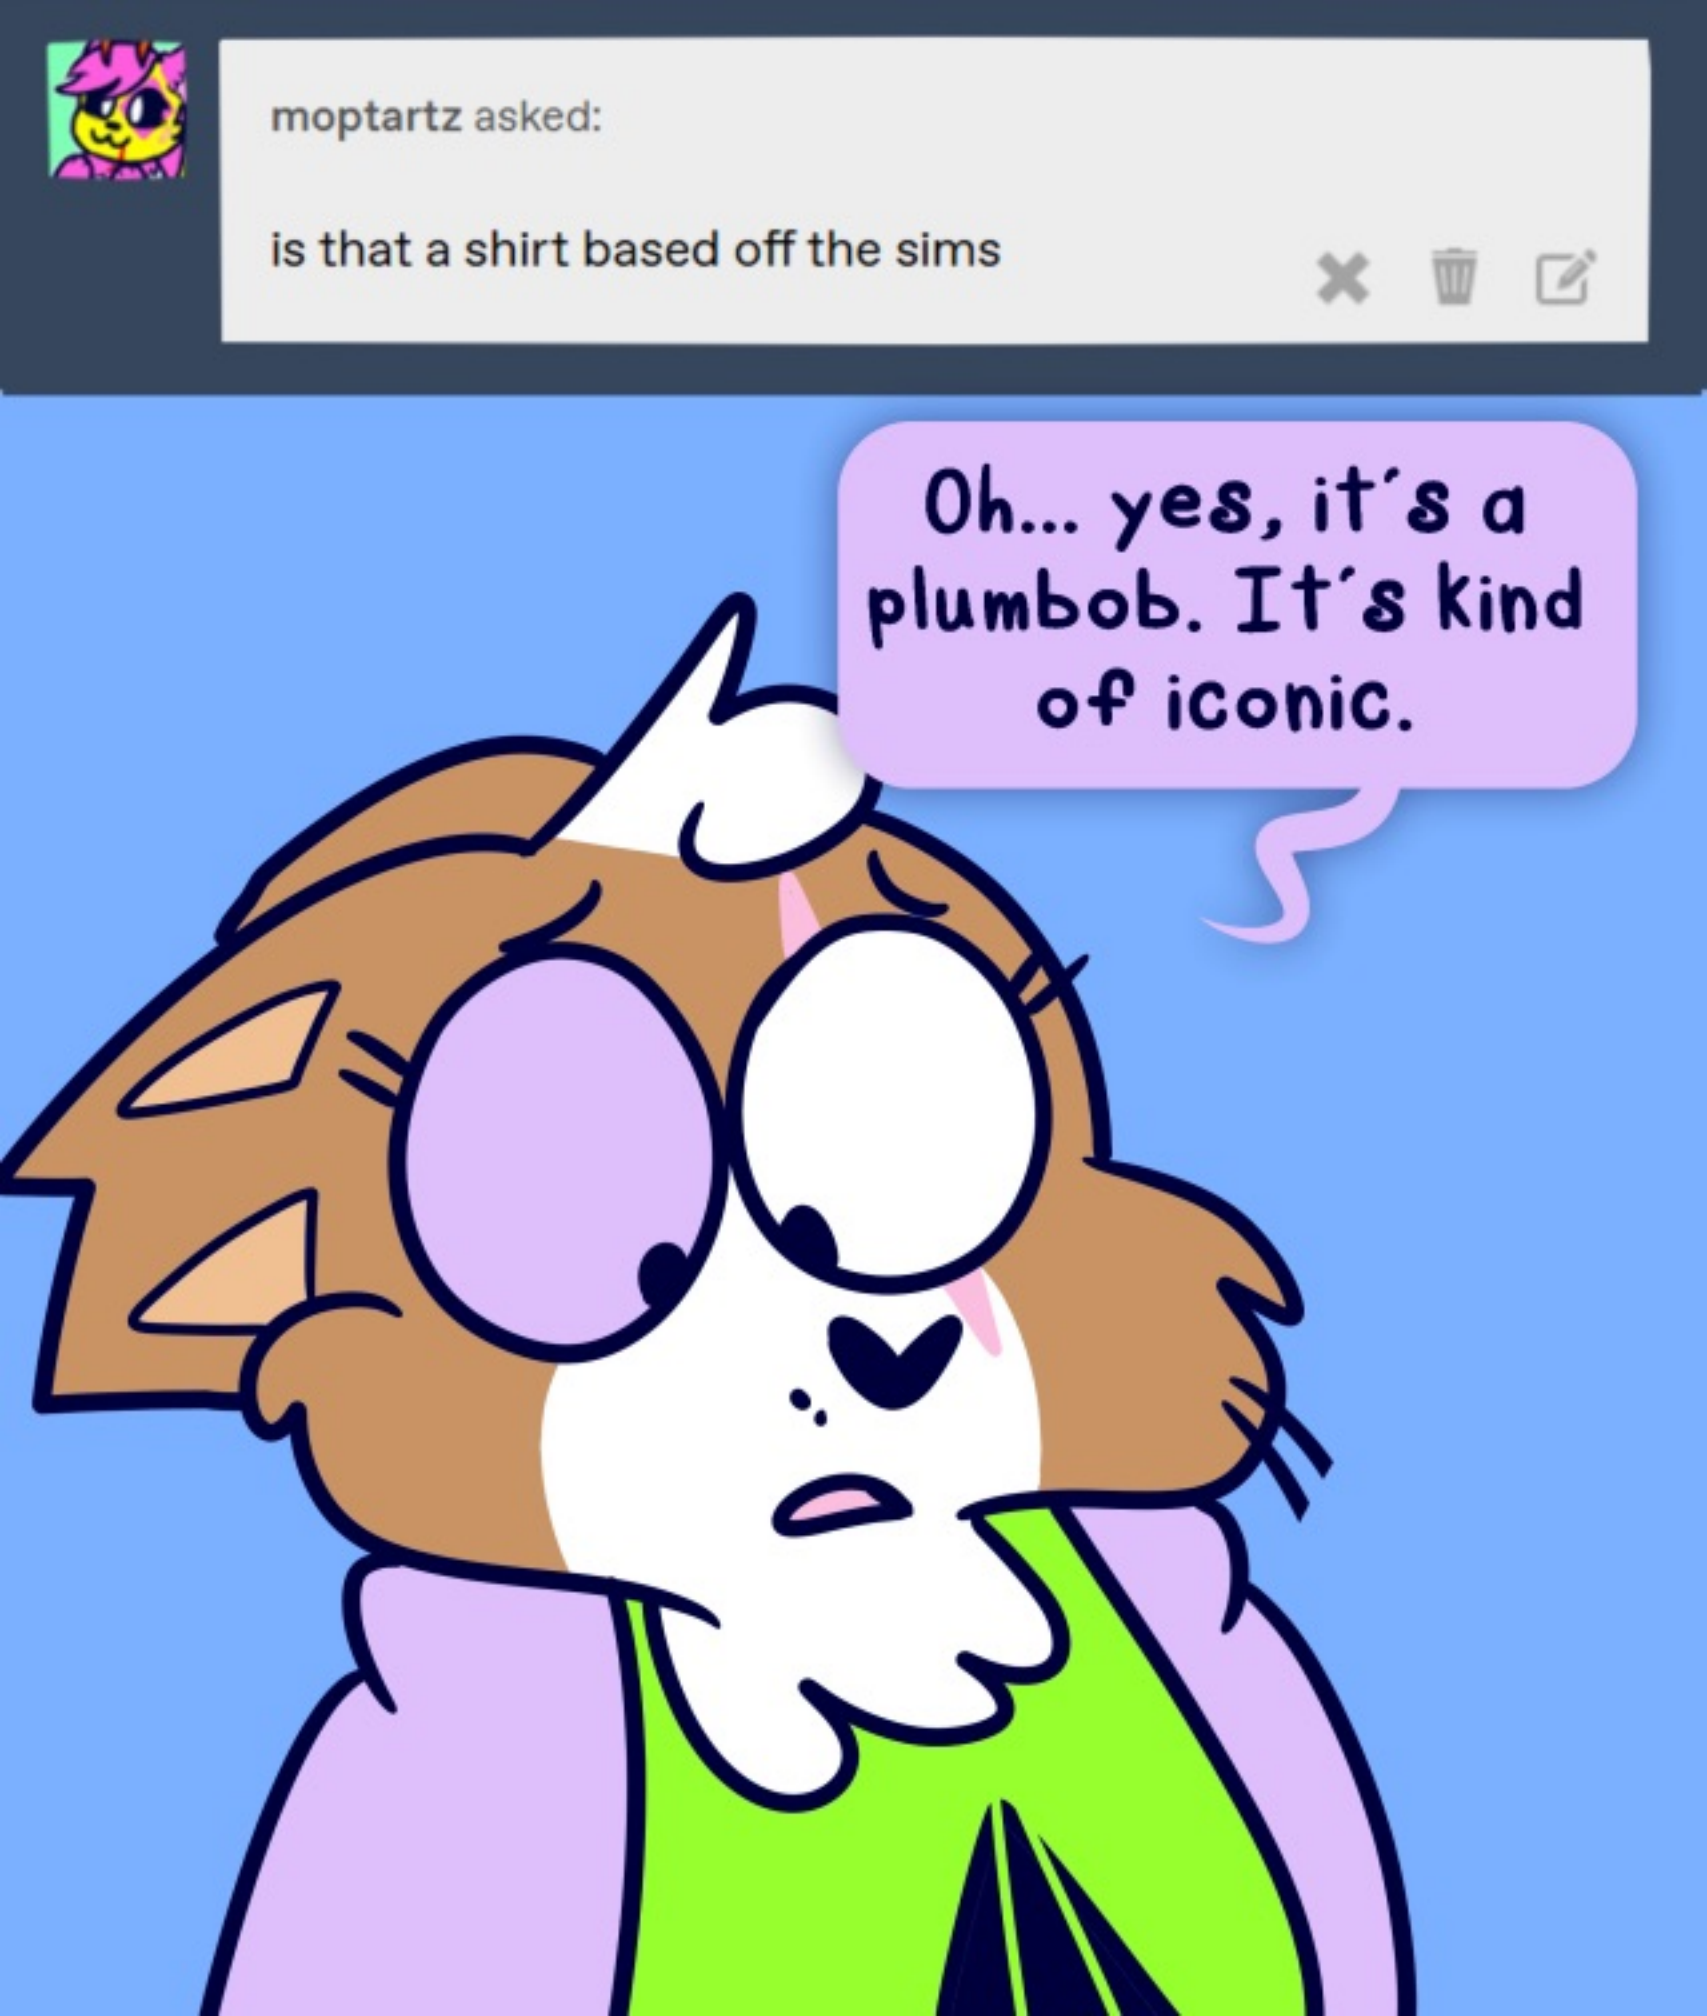
i'll get it!

It's okay sweetie, I'll do it.

DARLENE ROLL
Career: Gamer girl
Age: Mature
Pronouns: she/her
Faves: Gaming, drawing, sewing, Littlest Pet Shop
Hey, lil sis.
Hi Darlene!!!

maximumcrowngladiator asked:

Hey Darlene how are you doing?



moptartz asked:
is that a shirt based off the sims
Oh... yes, it's a plumbob. It's kind of iconic.

fishymexo asked:

How do you make a career out of being a gamer girl??

fishymexo asked:
Darlene how did you get that scar??
O-oh, uhm it was just an accident...
A really, really bad accident...
I-it's not a big deal though. Accidents happen to everyone.
W-we all- m-make mistakes!
Stuff just goes wrong sometimes!!!

I-I just don't like talking about it, i-it only happened one time-
I-I never did it again, I-I know better-
GRIP
-o-one time I messed up!!
T-there's no need to talk about-

ladyinsertnamehere asked:

...Darlene who do I gotta fight? Who do I get revenge on?
/lh

...you don't have to do anything, nobody hurt me.
Besides... I don't really believe in getting revenge on people. It takes a lot for me to hold a grudge, let alone want to retaliate in response.

I try really hard to be understanding of others, even if I don't agree with something they said or did.
I guess I just want to believe everyone has the power to be kind somewhere deep down.

But maybe I just see the world through rose-colored glasses, and that people aren't so great after all.
Like I don't wanna believe everything sucks as much as it does.

eeveeskittles asked:

Well it looks like you have an amazing family though! :D

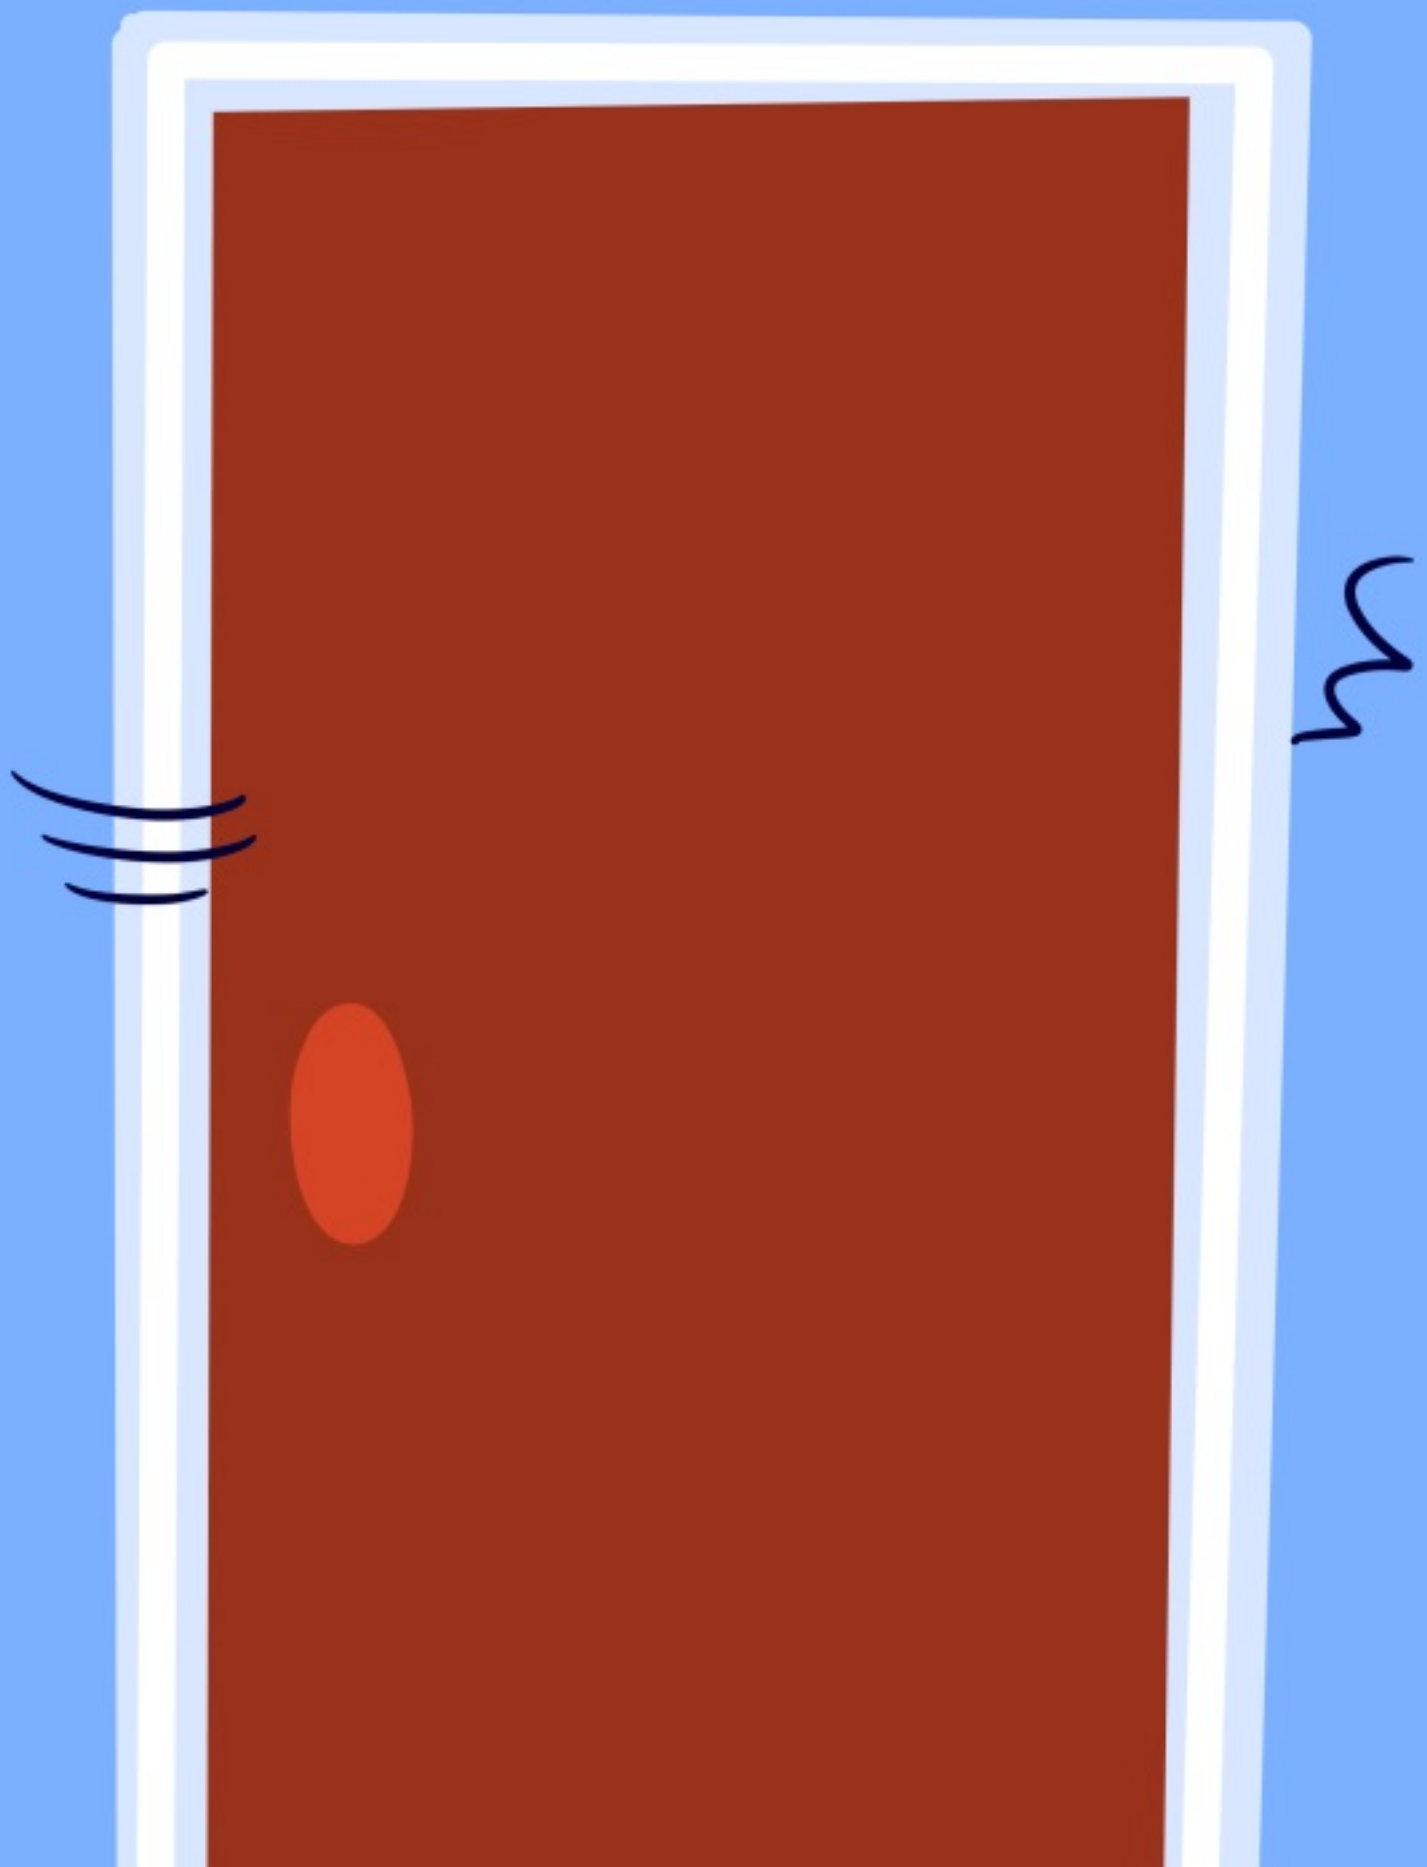
I mean... we might not always get along...

...but we still care.

...and I know I always have a place here with them. I never feel like an alien or don't belong.

Are you guys all set?
Like a dinner table.

We'll head out then! Seeya later!
Have fun...!



Do you think Winnie and Mory will ever have their own young? I wonder what they'd be like.

i think their young would be p cool !!

So... where are we going exactly? A mausoleum?

It's called a MUSEUM and it's really important.
It's the Spinch natural history museum.

Dad said bones and you said history, so naturally, I assumed we were gonna rob graves of historical figures or something.
WHY does your mind immediately go in that direction???

Yeah dude, it's got like, fossils and artifacts and fuckin' cool shit like that.
It might SOUND boring but it rules.

M-Mory!!! Language!!
Hey, they're old enough to say swear words, they don't care.

Hey lil dudes. Do you or your friends at training swear?
Mory, NOT my point.
Babe I got this. Well?

...y-yeah, but if mom found out she'd be so sad.
Her tears would make a new inland sea.
We would need a boat to leave the house.

...if that how she feels about it-- Mory, maybe tone down the eff-three-asterisks around these two. I'd like you to have a good relationship with my sister.
Why is everyone in your immediate family such old maids???

.....Dream isn't.
....I sometimes forget she's related to you.
I worry about that girl.
She kinda breaks the Roll family mold so that's fair.

mcd-big-mac asked:
Who is dream?
O-oh, um... I have two sisters. My mom is named Dorothy but she goes by Dora. She's a single mom. My older sister is Darlene, she was already a mature when I hatched so she's basically twice my life state.

...and then there's my little sister Dream. She just became mature recently. She's a lot closer in age to me. And... um...
....s-she's certainly... well... I'll just say that my mom has good reason to be concerned. Darlene and I are too, but we don't live there, so...

foolishly-snowy asked:
Whats up Moore? you arent looking so good, are you sick?
UUhh... I'm feeling very fuckin' ill right now.

I don't know WHAT it is, if it's a cold or fever or just a really damn awful headache.....
My head DOES hurt like a bitch. But it's also like.
Everywhere. All my shit's fucked up everywhere.

Okay, now you're just doing it deliberately.
Are you annoyed?
.....I'm not going to say anything cuz I know you feel bad and I'm worried.
Feeling awful gives me the free funny pass. You gotta admire the fact I can still always joke while miserable.

Isn't this amazing? This is what we used to look like!
These are ferries, our ancestors!!!

I dunno, I think Reavis still looks like this when he wakes up in the morning.
G-GH-- HEY!!!! I DO NOT!!!

Hey, I know what you guys will like. Let's go to the animal hall, and you can see
PREHISTORIC CATS AND DOGS.

ANIMAL HALL
Why's it look so dark inside?
Ambience, maybe?

Take a look around, it's cool in here.

Why do they look so... weird?

CALIDUMSECULUM CAT

It's hard for scientists to reconstruct the bones of prehistoric animals because of the fact old animal bones have something about them that makes them crumble a lot.

They look so stupid, no wonder they got hunted.
DURING THE ICE AGE, FERRIES ARE THOUGHT TO HAVE HUNTED PREHISTORIC ANIMALS.

...man... I feel so shitty...

...I-I guess I could be in worse physical condition.

BZZZZZZZTTTTTT

H-huh?!?

T-the fuck just happened?!?

W-Wins, remember when we were in the house of mirrors and you saw the uh... animal person?
T-the dog on two legs, wearing clothes?
Ahuh?

I-I saw like... a cat person. A cat on two legs, wearing clothes... I-it looked so real...

...s-so we saw the same thing... sort of...

...s-should we... talk to someone? About this?

...I don't know how seriously people would take us if we tell them we're having visions of furries.

Mory... are you okay?
Uuuh... I... I think so. It was just... real fuckin´ weird, s´all.
ULUM

It was a like a furry but... hyperrealistic.
Like, AI art type uncanny valley shit.
ULUM

...maybe we should just go home Mory.
I know we just got here and you said you'd be fine and insisted on coming b-but...

...y-you just look so miserable and I'm so, so worried...

Hey, don't sweat it, sis, we can try again some other day.
They gave us a refund for the tickets, I'll just keep that money handy for next time.

...I just feel so bad disappointing your kids. Reavis was so excited, and I think Mina was finally getting interested...

...you know something, Winnie? You'd make a great mom.

....O-OH!!!
U-UM...

U-u-uh...
Mory and I haven't really talked about that yet.....

I mean... it's just something to think about. It's a pretty life-changing thing.
I mean, you don't have to in order to be happy...
But it's a wonderful feeling I think you deserve.

....t-there's just a lot of other things I wanna do first, like finishing training and getting into my dream job...
I-I don't know if it's something I would do anytime soon.
Well, of course. Focus on yourself. I'm just rambling.

Everything go okay...?

Yeah, it was fine. Now, let's get you home so you can rest, okay?
